/2024**

**Holdfast Components** has been trading since 2002 and is a 100% Australian owned company operating out of our own premises in Tullamarine, 5 minutes from the Tullamarine Airport.

Our aim is supporting local Australian manufacturers and importing products from overseas and we have a very strong network of suppliers in Australia and internationally.

We specialise in supplying hook and loop fasteners, zippers and sliders, webbings, ropes, cords, furniture fabrics and linings, industrial fabrics, PU leather & PVC vinyl fabrics and packaging materials to name a few for industrial, commercial and retail clients.

We service industries from furniture & upholstery, caravan, canvas, marine, motor trimmers curtain & blinds, picture framing and bedding. The company's strategy is to supply customers with products that hold it down, stick it, wrap it or pack it. At Holdfast Components, we consider ourselves to be problem solvers so if we can't sell you the raw component then we will sell you the finished product.

Our company has expertise in developing new products with speciality in plastic injection, cut and sew applications, high frequency & die cutting.

We strive to provide a quality service and deliver to customers in a timely manner at all times.

**Fleetwood Distributors** has been operating since 1992 and is a 100% Australian company operating from our Carrum Downs site.

We specialise in providing foam, custom foam to order, hook & loop, zippers and sliders, webbing, ropes, strings, furniture fabrics and linings, industrial fabrics, PU leather and PVC vinyl fabrics, and packaging materials, to name a few for industrial, commercial and retail customers.

We serve the furniture and upholstery industries, motor trimmers, caravans, canvas, jackets, curtains and blinds, picture framing and bedding. The company's strategy is to provide customers with products that hold, stick, wrap or pack it.

At Fleetwood Distributors, we see ourselves as problem solvers, so if we can't sell you the raw component, we'll sell you the finished product. Our company has experience in developing new products with a specialization in plastic injection, cutting and sewing, high frequency and die-cutting applications.

We strive to provide high-quality services and deliver to customers on time all the time.

# TERMS OF TRADING

## DELIVERIES

A Handling and Delivery Charge will apply to orders

## INSTALLATION

It is recommended that all installations be carried out by a suitably qualified installer. Reference should be made to the Australian Standards for all installations. Professional advice should be sought on any fasteners used, as Holdfast Components Pty Ltd does not provide any guarantee on fasteners supplied with any of our products.

## ILLUSTRATIONS

All Drawings in this catalogue are for illustration purposes only and are not to scale. Please check measurements carefully before purchasing any product.

## PRICE

- a) This price list and any quotation issued by Holdfast Components Pty Ltd is an invitation to treat only, not an offer to sell.
- b) Prices are subject to change without notice.
- c) Prices are shown as GST exclusive
- d) Any GST must be paid by the Buyer as part of the price.

## RETURNS POLICY

This policy applies where you wish to return items because they are no longer required. It does not affect your statutory or contractual rights relating to faulty or defective products

- a) Goods may only be returned with sellers approval. All claims must include date and original invoice number.
- b) Goods returned for credit must be in original condition.
- c) If items were ordered in error, a request for credit must be received within 14 days from date of receipt.
- d) Customers returning goods will not be credited for any shipping costs incurred by the seller, unless returning goods under warranty.
- e) Goods specifically manufactured to the Buyers requirements will not be accepted for credit.
- f) Goods incorrectly supplied or faulty will be replaced with no cost to the Buyer.

## PAYMENT TERMS

Standard payment terms for the goods, GST and delivery charges are 30 days from the end of the month unless COD or otherwise agreed upon.
